

No. OGN.CAB.2016/524

The Statistical, Economic and Social Research and Training Centre for Islamic Countries (SESRIC) presents its compliments to the General Secretariat of the Organisation of Islamic Cooperation (OIC), and has the honour to present three thematic poster designs on the OIC-2025 Programme of Action. SESRIC prepared the posters with an aim to produce advertorial materials which may be instrumental for OIC Institutions in increasing awareness and publicity of the OIC-2025 objectives.

In this connection, SESRIC would highly appreciate if the General Secretariat could kindly approve the circulation of the said materials among relevant OIC institutions as well as provide comments and suggestions to further improve these designs.

The Statistical, Economic and Social Research and Training Centre for Islamic Countries (SESRIC) avails itself of this opportunity to renew to General Secretariat of the Organisation of Islamic Cooperation the assurances of its highest consideration.
