

**Workshop on Monitoring Food Security in the Context of 2030
Sustainable Development Agenda
22-23 February 2017
Ankara, Turkey**

DRAFT AGENDA

22 February 2017, Wednesday

Overview of Food Security Monitoring in the Context of the 2030 Sustainable Development Agenda

09:00 – 09:30 : Registration

Opening Session

- 09:30 – 10:00 :**
- Recitation of Verses from Holy Qur'an
 - Welcome Remarks by SESRIC
 - Welcome Remarks by FAO Statistics Division
 - Welcome Remarks by FAO Sub-Regional Office for Central Asia
 - Family Photo Session

Session I: Overview and SDG Target 2.1

- 10:00 - 12:00 :** This session covers the 2030 Sustainable Development Agenda by highlighting how it differs from the Millennium Development Goals. During the session, an overview of food security measurement and introduction to the SDG target 2.1 indicators will also be presented; particularly the indicators of the prevalence of undernourishment (PoU) and the prevalence of moderate or severe food insecurity based on the Food Insecurity Experience Scale (FIES).
Presenters: SESRIC, FAO

12:00 - 12:30 Session I: Questions & Answers

12:30 – 14:00 : Lunch and Prayer Break

Session II: Focus on the PoU and FIES

- 14:00-16:00 :** This session informs the participants about the PoU methodology by considering what it measures, underlying model, and the data needed to calculate it. The session goes on with the FIES methodology by focusing on what it measures, its brief history, theoretical basis, survey modules and reference periods. The session also considers what the FIES adds to the toolkit of food security measures by concentrating on the FIES-based indicators to guide policy and programmes. The session is to be concluded with how information resulting from the use of FIES can be analyzed together with other relevant information to understand causes and consequences of constrained food access.
Presenter: FAO

16:00 -16:15 Coffee Break

16:15 -17:00 Session II: Questions & Answers

Session III: Country Experiences

- 17:00 - 18:00 :** This session gives the opportunity to the participants to share their experiences by focusing on food security data governance, institutional arrangements, and particularly the challenges faced by the participating National Statistical Offices.
Presenters: Jordan, Kyrgyzstan

DRAFT AGENDA

23 February 2017, Thursday

Preparing to Produce SDG Target 2.1 Indicators at the Country Level

Session IV: FIES and PoU

09:00 – 11:00 : This session covers in detail the identification of appropriate survey vehicles for administering the FIES survey module, guidelines and challenges in collecting food consumption data to produce the PoU, steps to be taken to include the FIES in a survey and collect data, adaptation of FIES survey module and insertion in survey questionnaire, interviewer training, and how to accurately and effectively communicate the PoU by focusing on the relationship between the PoU and the Prevalence of Food Insecurity based on the FIES.

Presenter: FAO

11:00 - 11:15 : **Coffee Break**

11:15 - 12:30 : **Session IV: Questions and Answers**

12:30 - 14:00 : **Lunch & Prayer Break**

Demonstration of FIES Data Analysis

14:00 - 15:00 : This session will cover live demonstration of how data collected from FIES integrated surveys is analysed on computer for sound decision making concerning food security policies.

Presenter: FAO

Session VI: Country Experiences

15: 00 – 16:00 : This session considers the presentations of participating countries with a focus on national surveys to be followed by discussion on challenges faced.

Presenters: Nigeria, Pakistan

16:00 – 16:30 : **Coffee Break**

Closing and Wrap-Up Session

16:30 - 18:00 : This session summarizes the topics covered during the Workshop and focuses on the next steps to be taken. A discussion is to be followed among the participants..
