Implemented Training Courses

15 August – 15 November 2013: ‘Training Course for Medical Doctors and Assistants from Cameroon’ Antalya, Turkey.

Implemented Training Courses

15 July - 27 September 2013: 'Training Course for Medical Doctors from Mali' Izmir, Turkey

Implemented Training Courses

01-02 June 2013: 'Recognition and Prevention of Diabetes' Kaduna, Nigeria.

Implemented Training Courses

24-25 June 2012 : 'Modern Hospital Management Trends' Sana, Yemen

28 September – 02 October 2012 : 'Hospital and Health Care Facilities Management and Administration' Sana, Yemen

Implemented Training Courses

23 April – 02 May 2013: 'Hospital and Health Care Facilities Management and Administration' Izmir, Turkey.

Implemented Training Courses

06 – 10 February 2013: 'Minimally Invasive Surgery' Assiut, Egypt

Implemented Training Courses

1 January – 24 February 2013: 'Emergency Medicine Training' Mogadishu, Somalia

Implemented Training Courses

01 November – 31 January 2013: 'Pediatric Emergency Medicine' Mogadishu, Somalia

Implemented Training Courses

22-24 March 2012 : 'Health Information System' Dhaka, Bangladesh

Implemented Training Courses

Training Programme: 'AIDS Recognition and Prevention' in Nouakchott.

Scheduled training courses in 2014

- **Training course on 'Recognition and Prevention of Diabetes' in Mauritania, in April 2014.**
- **Training course on ' AIDS Recognition and Protection' in Niger in April 2014.**
- **Training course on 'Recognition and Prevention of Hypertension' in Burkina Faso in May 2014.**
- **Training course on ' AIDS Recognition and Protection' in Cote D'Ivoire in May 2014.**

Memorandum of Understanding (MoU)

- **10 September 2012:**
Aegean International Federation of Health (ESAFED)

Memorandum of Understanding (MoU)

- **10 December 2012:**
International Anatolian Health Federation (USAF)

Memorandum of Understanding (MoU)

- **03 April 2013:**
Southeast International Health Federation (GUSAF)

II. CAPACITY BUILDING MATCHING TABLE

For each of the subjects / areas given below, please indicate

- if your institution can offer training
(check the box 'Can Offer Training') or
- if your institution needs training
(check the box 'Need' under 'Training Needed').

Please also specify the priorities by using a 1-to-4 scale (1 for the most urgent, 4 for the least urgent) by noting that you may assign the same priority rank to more than one subject. Please also specify the number of personnel to be trained in case of an in-house training arrangement.

Subjects / Areas	Can Offer Training	Training Needed		
		Need	Priority Rank	Number of the Personnel

Eye

Superficial Infections of the Eye	<input type="checkbox"/>	<input type="checkbox"/>		
Mini nuc Technics in Cataract Surgery (Small Incision Technics in Cataract Surgery, Blumenthal Technics in Cataract Surgery)	<input type="checkbox"/>	<input type="checkbox"/>		
Facio Emulsification Technics in Cataract Surgery	<input type="checkbox"/>	<input type="checkbox"/>		
Diagnosis and Therapy in Glaucoma and Current Changes	<input type="checkbox"/>	<input type="checkbox"/>		
Age Related Macular Degenerations and Alternatives of Therapies	<input type="checkbox"/>	<input type="checkbox"/>		
Fundus Flourescein Angiography, Optic Coherence Tomography and Ultrasonography in Retinal Diseases	<input type="checkbox"/>	<input type="checkbox"/>		
Strabismus and its Treatment	<input type="checkbox"/>	<input type="checkbox"/>		
Oculoplastic Surgery	<input type="checkbox"/>	<input type="checkbox"/>		
Treatment Approaches in Eye Traumas	<input type="checkbox"/>	<input type="checkbox"/>		
Vitreoretinal Surgery	<input type="checkbox"/>	<input type="checkbox"/>		

Cardiology

Basic Echocardiography	<input type="checkbox"/>	<input type="checkbox"/>		
Color Doppler Echocardiography	<input type="checkbox"/>	<input type="checkbox"/>		
Basic Ecg	<input type="checkbox"/>	<input type="checkbox"/>		
Risky Ecg	<input type="checkbox"/>	<input type="checkbox"/>		
Basic Interventional Cardiology	<input type="checkbox"/>	<input type="checkbox"/>		
Risky Interventional Cardiology	<input type="checkbox"/>	<input type="checkbox"/>		
Basic Cardiac Life Support	<input type="checkbox"/>	<input type="checkbox"/>		
Advanced Cardiac Life Support	<input type="checkbox"/>	<input type="checkbox"/>		

Thoracic Surgery

Thoracic Trauma Management	<input type="checkbox"/>	<input type="checkbox"/>		
Inserting a Chest Tube	<input type="checkbox"/>	<input type="checkbox"/>		
Treatment of Pneumothorax	<input type="checkbox"/>	<input type="checkbox"/>		
Simple and Advanced Treatment Of Empyema	<input type="checkbox"/>	<input type="checkbox"/>		
Thoracic Radiology	<input type="checkbox"/>	<input type="checkbox"/>		
Vats (Video-Assisted Thoracoscopic Surgery)	<input type="checkbox"/>	<input type="checkbox"/>		
Lung Cancer Surgery	<input type="checkbox"/>	<input type="checkbox"/>		
Mediastinoscopy	<input type="checkbox"/>	<input type="checkbox"/>		
Flexible and Rigid Bronchoscopy	<input type="checkbox"/>	<input type="checkbox"/>		

Gynaecology

Normal Obstetrical Care	<input type="checkbox"/>	<input type="checkbox"/>		
First Trimester Obstetrical Ultrasound	<input type="checkbox"/>	<input type="checkbox"/>		
Second Trimester Obstetrical Ultrasound	<input type="checkbox"/>	<input type="checkbox"/>		
Third trimester Obstetrical Ultrasound	<input type="checkbox"/>	<input type="checkbox"/>		
Fetal Echocardiography	<input type="checkbox"/>	<input type="checkbox"/>		
Basic Laparoscopy Course	<input type="checkbox"/>	<input type="checkbox"/>		
Advanced Laparoscopy Course	<input type="checkbox"/>	<input type="checkbox"/>		
Total Laparoscopic Hysterectomy	<input type="checkbox"/>	<input type="checkbox"/>		
First Step Pregnancy Care Ultrasonography	<input type="checkbox"/>	<input type="checkbox"/>		
The Management of Pregnancies At Risk	<input type="checkbox"/>	<input type="checkbox"/>		
Assisted Reproductive Techniques	<input type="checkbox"/>	<input type="checkbox"/>		
Puerperium Management	<input type="checkbox"/>	<input type="checkbox"/>		
Gynecologic Ultrasonography	<input type="checkbox"/>	<input type="checkbox"/>		
Postnatal Drip	<input type="checkbox"/>	<input type="checkbox"/>		
Infections at pregnancy	<input type="checkbox"/>	<input type="checkbox"/>		

Emergency Medicine

Advanced Trauma Life Support	<input type="checkbox"/>	<input type="checkbox"/>		
Procedures in The Emergency Department	<input type="checkbox"/>	<input type="checkbox"/>		
Basic Ultrasonography	<input type="checkbox"/>	<input type="checkbox"/>		
Advanced Ultrasound Course	<input type="checkbox"/>	<input type="checkbox"/>		
Ultrasound for Critically Ill Patient	<input type="checkbox"/>	<input type="checkbox"/>		
Thoracic Ultrasound	<input type="checkbox"/>	<input type="checkbox"/>		
Interpretation of Computed Tomography in the Emergency Department	<input type="checkbox"/>	<input type="checkbox"/>		
Mechanical Ventilation Course	<input type="checkbox"/>	<input type="checkbox"/>		
Blood Gas Evaluation And Electrolyte	<input type="checkbox"/>	<input type="checkbox"/>		
Evaluation Of Laboratory Data in The Emergency Department	<input type="checkbox"/>	<input type="checkbox"/>		

Pediatrics

Neonatal Resuscitation Course	<input type="checkbox"/>	<input type="checkbox"/>		
Protein-energy malnutrition	<input type="checkbox"/>	<input type="checkbox"/>		
Nutrition	<input type="checkbox"/>	<input type="checkbox"/>		
Vaccines	<input type="checkbox"/>	<input type="checkbox"/>		
Lower respiratory tract infections	<input type="checkbox"/>	<input type="checkbox"/>		
Gastroenteritis	<input type="checkbox"/>	<input type="checkbox"/>		
Meningitis encephalitis	<input type="checkbox"/>	<input type="checkbox"/>		
Parasitic Diseases	<input type="checkbox"/>	<input type="checkbox"/>		
Urinary tract infections	<input type="checkbox"/>	<input type="checkbox"/>		
Upper respiratory infections and Otitis media	<input type="checkbox"/>	<input type="checkbox"/>		
Thalasseemies	<input type="checkbox"/>	<input type="checkbox"/>		
Sickle cell anemia	<input type="checkbox"/>	<input type="checkbox"/>		
Acute rheumatic fever and rheumatic Carditis	<input type="checkbox"/>	<input type="checkbox"/>		
Infective Endocarditis	<input type="checkbox"/>	<input type="checkbox"/>		
Pediatric Electrocardiography	<input type="checkbox"/>	<input type="checkbox"/>		
Circumcision Trainer Education	<input type="checkbox"/>	<input type="checkbox"/>		

General Surgery

Approach to Blunt and Penetrating Abdominal Traumas	<input type="checkbox"/>	<input type="checkbox"/>		
Wound Assessment And Basic Suture	<input type="checkbox"/>	<input type="checkbox"/>		
Basic Laparoscopy Course	<input type="checkbox"/>	<input type="checkbox"/>		
Laparoscopic Gallbladder Surgery	<input type="checkbox"/>	<input type="checkbox"/>		
General Approach To Acute Abdomen	<input type="checkbox"/>	<input type="checkbox"/>		
Inguinal Hernia Surgery	<input type="checkbox"/>	<input type="checkbox"/>		
Abdominal Wall And Ventral Hernias	<input type="checkbox"/>	<input type="checkbox"/>		
Benign Breast Diseases	<input type="checkbox"/>	<input type="checkbox"/>		
Malignant Breast Diseases	<input type="checkbox"/>	<input type="checkbox"/>		
Breast Surgery	<input type="checkbox"/>	<input type="checkbox"/>		
Diseases And Surgery Of The Thyroid	<input type="checkbox"/>	<input type="checkbox"/>		
Diseases And Surgery Of The Anal Region	<input type="checkbox"/>	<input type="checkbox"/>		
Colorectal Diseases And Surgery	<input type="checkbox"/>	<input type="checkbox"/>		

Orthopedics

Limb In Closed And Open Fractures (trauma to musculoskeletal system)	<input type="checkbox"/>	<input type="checkbox"/>		
Joint Dislocations	<input type="checkbox"/>	<input type="checkbox"/>		
Congenital Limb Deformities	<input type="checkbox"/>	<input type="checkbox"/>		
Osteomyelitis	<input type="checkbox"/>	<input type="checkbox"/>		
Arthroscopic Joint Surgery	<input type="checkbox"/>	<input type="checkbox"/>		
Arthroplasty	<input type="checkbox"/>	<input type="checkbox"/>		
Congenital Spinal Disorders	<input type="checkbox"/>	<input type="checkbox"/>		

Primary Health Care Services

Mother, Child Health and Family Planning Services	<input type="checkbox"/>	<input type="checkbox"/>		
The Epidemiology Of Infectious Diseases	<input type="checkbox"/>	<input type="checkbox"/>		
Cohort Studies	<input type="checkbox"/>	<input type="checkbox"/>		
Environmental Health Services	<input type="checkbox"/>	<input type="checkbox"/>		
Safe Motherhood	<input type="checkbox"/>	<input type="checkbox"/>		
General Epidemiology	<input type="checkbox"/>	<input type="checkbox"/>		
Fight Chronic Diseases	<input type="checkbox"/>	<input type="checkbox"/>		
School Health	<input type="checkbox"/>	<input type="checkbox"/>		
City Health	<input type="checkbox"/>	<input type="checkbox"/>		
Health Care Planning	<input type="checkbox"/>	<input type="checkbox"/>		

Hospital and Health Care Facilities Management and Administration Training Program

Hospital and Health Care Facilities Management and Administration Training Program	<input type="checkbox"/>	<input type="checkbox"/>		
--	--------------------------	--------------------------	--	--

Dentistry

Oral And Maxillofacial Infections	<input type="checkbox"/>	<input type="checkbox"/>		
Removable denture production	<input type="checkbox"/>	<input type="checkbox"/>		
Porcelain Chrome Construction	<input type="checkbox"/>	<input type="checkbox"/>		
Dental Fillings	<input type="checkbox"/>	<input type="checkbox"/>		
Root Canal Therapy	<input type="checkbox"/>	<input type="checkbox"/>		
Jaw Surgery	<input type="checkbox"/>	<input type="checkbox"/>		

Internal Medicine

Malaria	<input type="checkbox"/>	<input type="checkbox"/>		
AIDS Recognition and Protection	<input type="checkbox"/>	<input type="checkbox"/>		
Meningitis	<input type="checkbox"/>	<input type="checkbox"/>		
Fluid- Electrolyte Treatment	<input type="checkbox"/>	<input type="checkbox"/>		
End-Stage Renal Failure And Its Treatment	<input type="checkbox"/>	<input type="checkbox"/>		
Diagnosis And Treatment Of Connective Tissue	<input type="checkbox"/>	<input type="checkbox"/>		
Diabetes And Complications	<input type="checkbox"/>	<input type="checkbox"/>		
Recognition and Prevention of Diabetes	<input type="checkbox"/>	<input type="checkbox"/>		
Hypertension and Complications	<input type="checkbox"/>	<input type="checkbox"/>		
Prevention of Hypertension Ultrasonography	<input type="checkbox"/>	<input type="checkbox"/>		
Viral Hepatitis and Complications	<input type="checkbox"/>	<input type="checkbox"/>		
Thyroid Diseases	<input type="checkbox"/>	<input type="checkbox"/>		
Endoscopic Ultrasound	<input type="checkbox"/>	<input type="checkbox"/>		
Inflammatory Intestinal Diseases	<input type="checkbox"/>	<input type="checkbox"/>		
Anemias	<input type="checkbox"/>	<input type="checkbox"/>		
Leucaemias	<input type="checkbox"/>	<input type="checkbox"/>		
Radiation Oncology	<input type="checkbox"/>	<input type="checkbox"/>		
Oncological Treatment Methods	<input type="checkbox"/>			

Needs of OIC Member Countries

- * **Gynaecology:**

- * Normal Obstetrical Care
- * First Trimester Obstetrical Ultrasound
- * Second Trimester Obstetrical Ultrasound
- * Third trimester Obstetrical Ultrasound
- * Fetal Echocardiography
- * Basic Laparoscopy Course
- * Advanced Laparoscopy Course
- * Total Laparoscopic Hysterectomy
- * First Step Pregnancy Care Ultrasonography
- * The Management of Pregnancies At Risk
- * Assisted Reproductive Techniques
- * Puerperium Management
- * Gynecologic Ultrasonography
- * Postnatal Drip
- * Infections at pregnancy
- * **Countries: Algeria, Djibouti, Jordan, Saudi Arabia, Somalia, Tajikistan, Togo, Yemen, Burkina Faso, Cote D'ivoire, Egypt, Kyrgyzstan, Niger, Mauritania, UAE.**

- *

Needs of OIC Member Countries

Pediatrics:

Neonatal Resuscitation Course

Protein-energy malnutrition

Nutrition

Vaccines

Lower respiratory tract infections

Gastroenteritis

Meningitis encephalitis

Parasitic Diseases

Urinary tract infections

Upper respiratory infections and Otitis media

Thalassemias

Sickle cell anemia

Acute rheumatic fever and rheumatic Carditis

Infective Endocarditis

Pediatric Electrocardiography

Circumcision Trainer Education

Countries: Algeria, Djibouti, Jordan, Saudi Arabia, Somalia, Tajikistan, Togo, Yemen, Burkina Faso, Cote D'ivoire, Egypt, Kyrgyzstan, Niger, Mauritania, UAE.

Primary Health Care Services:

Mother, Child Health and Family Planning Services

Safe Motherhood

School Health

Health Care Planning

Countries: Algeria, Djibouti, Jordan, Saudi Arabia, Somalia, Tajikistan, Togo, Yemen.

Internal Medicine:

Anemias

Leucaemias

Countries: Algeria, Djibouti, Jordan, Saudi Arabia, Somalia, Tajikistan, Yemen

Tobacco Free OIC Initiative

Tobacco Free OIC Initiative

Tobacco Free OIC is an initiative developed by the Statistical Economic and Social Research and Training Centre for Islamic Countries (SESRIC) in response to the spread of tobacco epidemic in the OIC Member Countries.

Tobacco Free OIC Initiative

AIMS

- * to increase public awareness about controlling tobacco use by providing evidence-based knowledge and information, and by this way, to prevent children from starting tobacco use,
- * to establish OIC networks and partnerships to exchange experiences and best practices of tobacco control strategies, initiatives, projects and programs,
- * to build the capacity of relevant organizations or institutions for better policy coordination in order to achieve the goal of Tobacco Free OIC.

Tobacco Free OIC Initiative

ACTIVITIES

- * Delegations from Iran and Palestine visited SESRIC Headquarters and were briefed on Tobacco Free OIC Initiative.

Tobacco Free OIC Initiative

- * SESRIC organized a study visit on “Tobacco Control Policies” for the National Tobacco Commission delegation of Palestine.

Smoke
Free
Area

Tobacco Free OIC Initiative

- * SESRIC participated in “The First Regional Training Workshop on Tobacco Control and Trade”, Cairo, Egypt.

Tobacco Free OIC Initiative

- * Delegation from Bloomberg Foundation and WHO National Tobacco Control Programme Office visited SESRIC; Ankara, Turkey.

Tobacco Free OIC Initiative

- * SESRIC participated in “The 6th Conference on Tobacco or Health”, Erzurum, Turkey.

Tobacco Free OIC Initiative

- * SESRIC organized a study visit in order to share the practices and exchange expertise on tobacco control issues for the officials from Iraq, Egypt, Indonesia, Azerbaijan, Qatar and Kyrgyzstan, Erzurum, Turkey.

TOBACCO FREE OIC INITIATIVE

- * SESRIC has organized a study visit for representatives of Kazakhstan and Saudi Arabia in line with the 'Brainstorming Workshop on OIC Strategic Health Programme of Action' , on 12 June 2012, Ankara, Turkey.
