# STUDY VISIT ON OCCUPATIONAL SAFETY AND HEALTH

- “Study Visit on Occupational Safety and Health” was jointly organized by SESRIC and Occupational Health and Safety Centre of Turkey (DGOHS) in Ankara, Turkey, on 24-28 May 2010.
- Participants were composed of experts and directors of occupational safety and health from 7 OIC Member Countries, namely Azerbaijan, Jordan, Libya, Malaysia, Pakistan, Saudi Arabia and Syria. Additionally, the Arab Labor Organization (ALO) was also represented at this project.
- Occupational safety and health was identified as an extremely important area for the developing countries in general and for the OIC Member Countries in particular. Following recommendations adopted for future cooperation:
  - Design such cooperation activities on a permanent basis;
  - Design a capacity building programme for occupational safety and health;
  - Establish a network among occupational safety and health institutions in the OIC Member Countries;
  - Establish a trainers database in the field of occupational safety and health;
  - Encourage SESRIC and OSH Institutions for future cooperation in organizing related events in the field of occupational safety and health.
